

Electronic Scent Eliminators

Kills Scent... Dead In Its Tracks!

OXY Elim-A-Scent™ Electronic Scent Eliminators Completely Destroy:

- Human Scent
- Alarming Odors
- Cigarette Smoke
- Gas/Exhaust Fumes
- Bacteria/Germs
- Chemicals
- Mildew/Mold
- Pet Odors
- Food Odors & More!

OXY ELIM-A-SCENT™ ELECTRONIC SCENT ELIMINATORS uniquely utilize a proprietary blend of Oxyions™, an electronically produced combination of natural cleansing activated oxygen and healthful negative ions, to safely destroy all bacteria and non-bacteria scent/odors, mildew, mold, pollutants and more. This highly effective process of deodorization leaves only natural Oxygen as its ultimate byproduct. The activated oxygen output is the same as the fresh, clean, natural air experienced in the great outdoors after a lightning/rain storm!
